Introduction

The Diagnosecovid.org community page will have four different channels including groups, blogs, ask an expert, and a help section.

- Community members will be able to login onto the page.
- Community members will have an 'Ask an Expert' to consult with existing doctors.
- Community members will also have a 'help section' to figure out problems in the community.

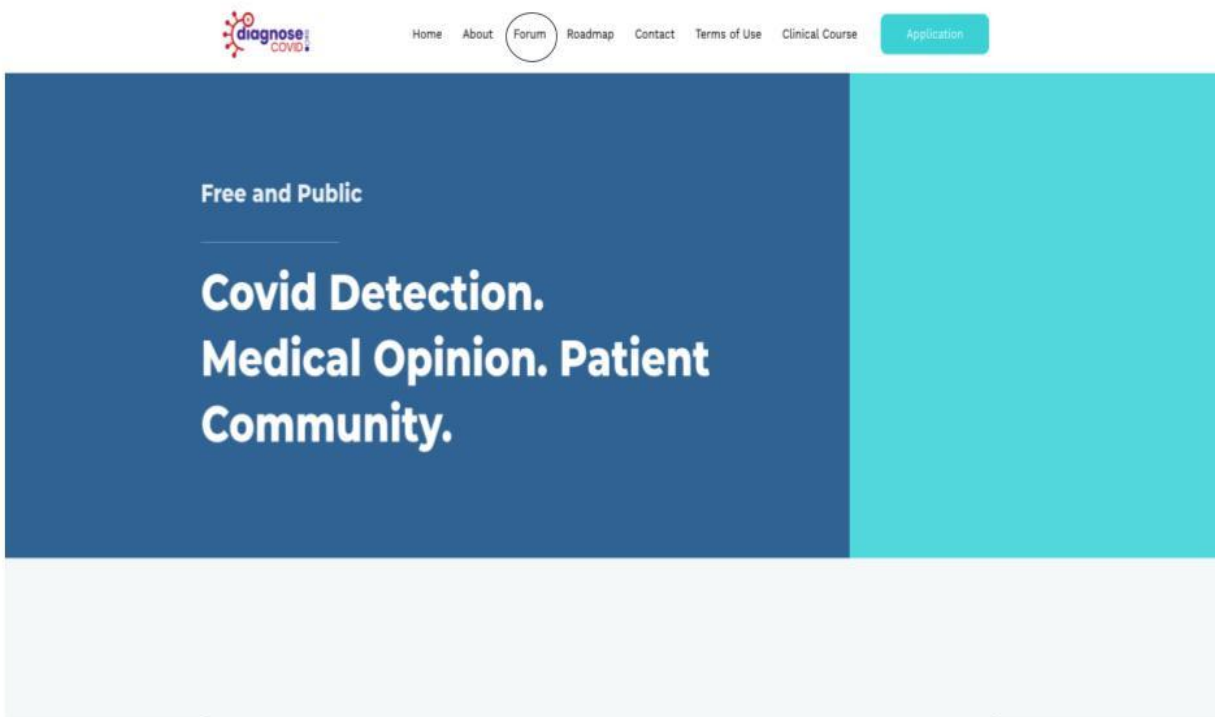

Diagnosecovid.org – Community Platform

- Login.
- Contribution in Groups through Comments, Links, Videos and Images.
- Thumbs Up and Thumbs Down
- Moderation by Community Leaders such as doctors
- Incentivization through points.

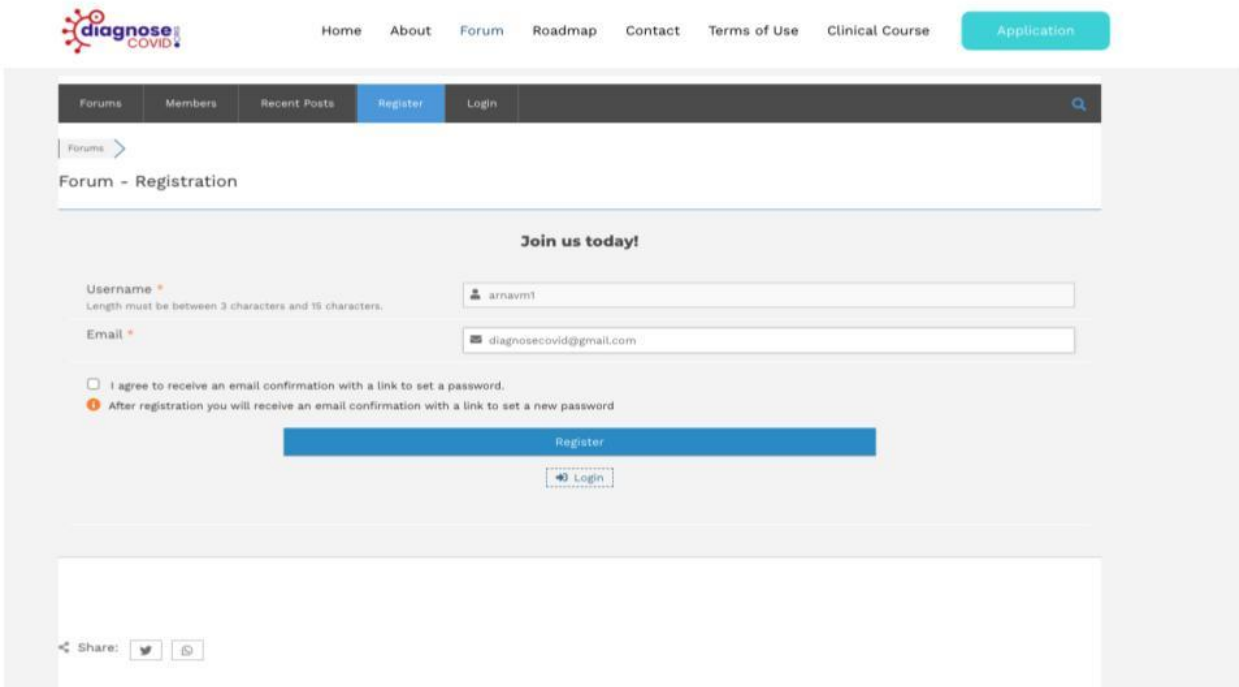

Accessing the Page

- For accessing the forum page, users can visit diagnosecovid.org, and click on the 'Forum' button. Alternatively, users can go to diagnosecovid.org/forum.

Registering As a New User

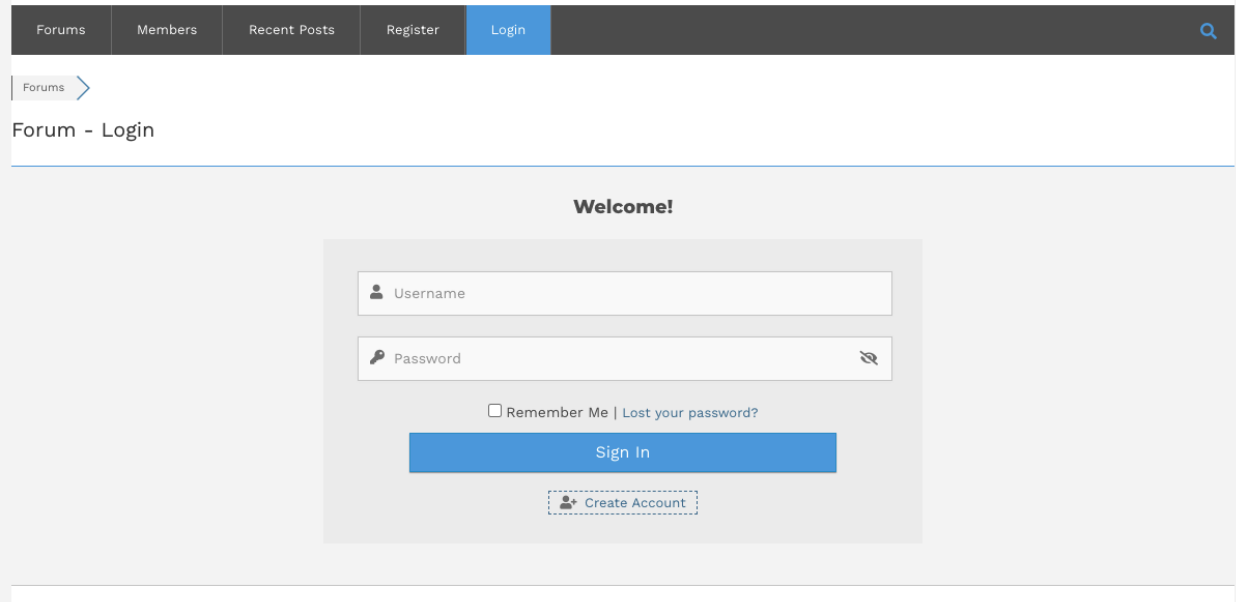

- In order to register as a new user, one is required to create a username, and add their email address.
- Prior to clicking on the register button, users will need to read and accept the terms and conditions.
- The 'register' button will make you a member of the forum.
- The website will send a link to the registered user on their email using which they can change their passwords. Users should also check their 'Promotions' or 'Spam' inbox to check if they have received the link there.

The screenshot shows the registration page for diagnose COVID.ORG. The page has a navigation bar with links for Home, About, Forum, Roadmap, Contact, Terms of Use, Clinical Course, and Application. Below the navigation bar is a search bar and a menu with options for Forums, Members, Recent Posts, Register, and Login. The main content area is titled "Forum - Registration" and features a "Join us today!" heading. The registration form includes fields for Username (with a note that length must be between 3 and 15 characters) and Email. The Username field contains "arnavm1" and the Email field contains "diagnosecovid@gmail.com". There is a checkbox for "I agree to receive an email confirmation with a link to set a password." and a note that after registration, an email confirmation with a link to set a new password will be received. A blue "Register" button and a "Login" button are visible at the bottom of the form. At the bottom left, there is a "Share:" section with social media icons for Twitter and Facebook.

Logging In

- For logging into the account, the users need to go to the login sub-page on the forum page.

The screenshot shows the forum's navigation bar with 'Forums', 'Members', 'Recent Posts', 'Register', and 'Login' (highlighted in blue). Below the navigation bar, there is a breadcrumb trail 'Forums >' and the page title 'Forum - Login'. The main content area features a 'Welcome!' message above a login form. The form includes a 'Username' input field, a 'Password' input field with a toggle icon, a checkbox for 'Remember Me' and a link for 'Lost your password?', a blue 'Sign In' button, and a dashed 'Create Account' button.

Asking a Question

- After logging in, the patients should go back to the forums sub-page.
